Is responsible for the supervision of the work placement and assigns a named supervisor.

Is responsible for any injuries caused by the student to a third party or any damage to property at the workplace.

Diak

Communicates the objectives of the Diak curriculum, module and placement in question to the provider's personnel.

Organises instruction to support the student's supervision and provides a supervising teacher.

Provides the student's statutory student insurance.

The student

Agrees to comply with the rules and instructions of the provider organisation during the work placement.

Joint obligations

The student and the representatives of Diak and the provider agree to participate in each other's activities and any education, research or development projects related to the placement and educational cooperation as separately agreed.

Diak and the provider's representatives shall regularly review the curriculum and modules and the objectives, contents and implementation of the cooperation.

The quality requirements of the supervision and cooperation between Diak and the provider shall be separately agreed upon between the parties.

The parties, their representatives and the student shall be bound by confidentiality obligations.

Fees and invoicing

No compensation will be paid by the provider for the work placement or

supervision.

No separate compensation will be paid by Diak for the use of the provider's facilities or material costs in conjunction with the work placement.

No compensation will be paid by Diak for the supervision of the work placement.

Validity of the agreement
