

## Greetings from Student Union O'Diako!

Congratulations, great to have you among us at Diak! Although you have hours of hard work ahead of you to earn all the credits, do not forget that studying is not just lectures and exams. Accompanied by your fellow students, the journey will be unforgettable!

### What is O'Diako?

O'Diako is the student union of all students in Diak, regardless of campus and degree. We have a strong presence in the everyday life of Diak students: we organise peer tutoring to help you get started with your studies. We assist with anything related to your studies and student life. As our member, you will become a part of a warm-hearted, unique community.

### Why would I join O'Diako?

As a student union, we are always there for you in case you need help or support. We also take care of your rights and work for your well-being. We provide ways for influencing studies and in different organisations. We arrange opportunities for sports and events of varied kinds. As a member of O'Diako, you are entitled to multiple benefits and, among other things, pay less for our yellow overalls, many events and other products.

### How can I join, who can I ask for help?

Check out our website [en.odiako.fi](http://en.odiako.fi) to find more facts regarding your student union and membership. If you do not find all the information you need, our executive director Juha-Pekka Tulijoki will help you with membership related matters and issues from the 9<sup>th</sup> of August onwards: 050 4100 743 or [toiminnanjohtaja@odiako.fi](mailto:toiminnanjohtaja@odiako.fi).

## Welcome!
