REGISTERING AS NON-ATTENDING FOR THE ACADEMIC YEAR 2023–2024

NOTE:

- If you were admitted year 2014 or earlier: It is possible to register as non-attending for a maximum of two years, but only one year at a time. Your previous semesters as non-attending are accounted for and reduced from the non-attendance quota of two years.
 - If you were admitted year 2015: It is possible to register as non-attending for one year (without a statutory reason).
 - Please note that it is not possible to amend your registration after the beginning of the semester without a valid reason. At Diak, only health-related reasons or family circumstances can be accepted as valid reasons. However, for example military service and pregnancy do not qualify.
